STANFORD, KY., FRIDAY, JULY 9, 1875.

NEWS IN BRIEF.

Titli recent loss of the Schiller is can ing a movement among the members of the British Parliament, looking toward lines between insular light stations and

THE quickest, best and Only Route running THINEE traffy Lines Pullman Brawing Room A MANUAL is to be prepared for the use of the British Arctic expeditions, consisting of reprints of papers in the Columbus, Ohio, Pittsburg, Harrisburg, transactions of learned societies, not otherwise accessible, and other materials the object being to furnish an exact view NEW YORK, of the state of existing knowledge of Greenland and the surrounding seas.

TOPICS OF THE TIME.

Public sympathy has turned in the The firsty Lim with which presengers from the south make direct connections at Louisville with brough cars for New York, arriving direction of Acapulco, Mexico, where two more orphans have just been added to the long list of the world's bereaved ones. Their mother, aged one hundred and thirty-two years, died suddenly the other day, when the oldest son had barely reached his one hundredth birthday. He This line is stone-ballasted and entirely free from door. Being supplied with the celebrated Working-house Safety Air-Brake, precludes all possibility of and his young brother, who is only ninety, will now have to stump through life as best they can. Only All Rail Line

A HUNTING-KNIPE valued at \$35,000. belonging to the jeweler of the King of Portugal, was lost in the Cadiz which indered recently off the coast of Portugal. The sheath and handle were composed of the heads of wild animals and mds, modeled and chased in silver, and accurately representing the lordly stag, the bear, the wolf, the wild boar, and other ferre naturer still found in the Loisitanian forests.

DEATH from lightning is painless. The serves of the human body do not convey the Short Line," a sensation of pain instantly to the nerve centers. There is an appreciable interval before we are cognizant of what has happened. The time of an electric flash is small fraction of this interval. While the velocity of a pervous sensation of pain is less than a hundred feet a second that of electricity, varying under differs ent circumstances, is many thousand times greater. We are killed before we Ohio & Mississippi R. R.

> THERE is a Sweedish lady, Miss Hildegard Bjerk, Studying at Upsala for the profession of medicine. She takes her place in the ordinary classes, and it is not expected any special courses will ever be organized for women students. The reason why, according to a corres condent of the Atheneon, is that " both exes ought to be equal before Science which emanates from God, and conse-quently can never be hurtful to welllerstood respectability." Not so bad, olecal for a so-called puritan country

W. B. GREENLAW, President of the Memphis and Little Rock Railroad, reently issued an order to officers and emplayers of that road, notifying them that he road had passed into the hands of trustees, and designating R. K. Dow, of New Hampshire, as manager for the trustees, as custodian of all property and in charge of the running of the road. As soon as this was known Vice-President Hugh L. Brinkley, who owns two-thirds of the stock of said road, applied to Chancellor Mergan in person for an injunction, which was granted, as neither Mr. Brinkley or any other director had authorized the transfer of the manage-ment to Mr. Dow. Mr. Brinkley holds possession of the depot and offices in possession of the depot and offices in Memphis, and will continue to do so unless the injunction is dissolved.

AMERICANS who go abroad in these days button their pockets and stop their ears and save their spare cash, as they never thought of doing in the old days. There is nothing a Yankee learns mickly as the art of bargaining, and a. m., in time to conveys with trains for Kansas-try and the West. Leave Leavington 150 p. m. of, in short, anything that type, ink and paper

THE OLD CONTINENTALS.

Cannon-shot;
When the files
Of the ides
From the mocky night encannys
Bore the banner of the yampunt
Luicorn,
And grunner, grunner, grunn
Rolled the roll of the drammer

White the balls whiched deadly, Apit in stream fashing really.

Blaced the firm;
On the shore
Swept the strong battle-breakers
O'er the green sodded acres
Of the plain;
And louder, louder, louder, louder,
Cracked the black guapowder,
Cracking amain!

Worked the red St. Issuege's
And the "ciliainous saltputer
Rang, a tierce d'Scordant mete
Liound our ears.
As the swift.
Storm-drift,
With hot sweeping suger
Conce the horse-quards clanger
On our fanks;
Then higher, higher, higher,
Burned the old-isablemed fire
Through the ranks!

Towder-risest;
And his broadward was awinging.
And his breasen throat was ringing
Trompet loud.
Then the blue
Huffets flew;
And the trouger-jackets reddened.
At the tower of the 'ensire
Riffe-breath;
And rounder, rounder, rounder
Hoared the tron six-pounder,
Highing death!

to the bier at last.
